CPLP, ATD-APTD, SPHR, MBA

Director of Learning, Leadership Development & Organizational Effectiveness

j.beaumont@learningculture.org | (404) 771-4400 | Atlanta, GA 30326 | linkedin.com/in/jeromebeaumont

PROFESSIONAL SUMMARY

Inspirational Director of Learning and Leadership Development with 13 years of experience designing and delivering transformative learning solutions that build leadership capability, drive culture change, and improve organizational performance. Expert in instructional design (ADDIE, SAM, Design Thinking), leadership development program architecture, executive coaching, eLearning development (Articulate Storyline 360, Rise), and LMS administration (Cornerstone, Workday Learning, Degreed). Led enterprise learning functions at Delta Air Lines, Cox Enterprises, and NCR Corporation — reaching 80,000+ employees annually through blended learning programs, leadership academies, and digital learning ecosystems. CPLP (Certified Professional in Learning and Performance), ATD-APTD, SPHR, and MBA from Emory University Goizueta Business School. Certified executive coach (ICF PCC). Keynote speaker at ATD International Conference, CLO Exchange, and Learning & Development Week.

CORE COMPETENCIES & SKILLS

Instructional Design & Development: ADDIE Model • SAM (Successive Approximation Model) • Design Thinking for L&D • Bloom's Taxonomy • Kirkpatrick Model (Levels 1-4) • Phillips ROI Methodology • Needs Assessment & Task Analysis • Learning Objectives Writing • Story-Based Learning Design • Scenario-Based Learning

eLearning & Digital Learning: Articulate Storyline 360 • Articulate Rise 360 • Adobe Captivate 2024 • Camtasia 2024 (video/screencast) • Adobe Premiere Pro (video editing) • Canva for Learning • H5P Interactive Content • Virtual Reality (VR) Learning (Mursion, Strivr) • Podcast Production (Audacity, Adobe Podcast) • AI-Generated Learning (ChatGPT, Synthesia AI avatars, D-ID)

Learning Management Systems: Cornerstone OnDemand LMS (Admin Certified) • Workday Learning (Admin Certified) • Degreed Learning Experience Platform (LXP) • SAP SuccessFactors Learning • Bridge LMS (Instructure) • LinkedIn Learning (Enterprise Admin) • Udemy Business • Coursera for Business • 360Learning (collaborative learning) • LearnUpon LMS

Leadership Development: Executive Coaching (ICF PCC Certified) • Leadership Assessment (Hogan HPI/HDS/MVPI, Korn Ferry Leadership Architect, CliftonStrengths StrengthsFinder, DiSC, MBTI) • 360° Feedback Design & Facilitation • High-Potential Program Design • Succession Planning Support • Mentoring Program Design • Team Effectiveness Facilitation (Google Project Aristotle Framework, Lencioni 5 Dysfunctions) • Action Learning Projects

Facilitation & Delivery: Classroom Facilitation (groups up to 200) • Virtual Facilitation (Zoom, Teams, Webex) • Executive Off-Sites & Retreats • Leadership Workshop Facilitation • Train-the-Trainer Programs • Simulation-Based Learning (Harvard Business Publishing simulations) • Gamification Design (Kahoot, Mentimeter, Miro) • Management Development Programs

Analytics & Strategy: L&D Analytics (learning data, skills gap analysis) • Learning ROI Measurement (Phillips Level 4) • Competency Framework Development • Skills Taxonomy Design • Learning Governance & Strategy • LMS Reporting (Cornerstone Analytics, Workday Prism) • Tableau • Power BI

PROFESSIONAL EXPERIENCE

Director, Learning & Leadership Development

Delta Air Lines Inc. | Atlanta, GA | Jan 2020 – Present

Scope: Delta Enterprise Learning — 80,000 employees globally

Enterprise Director of Learning and Leadership Development — 28-person L&D team delivering 280,000+ learning hours annually to Delta's 80,000-person global workforce across operations, corporate, technology, and inflight.

- ▶ Lead Delta's enterprise learning function — 28 learning professionals (instructional designers, facilitators, LMS administrators, leadership development partners) delivering 280,000+ annual learning hours to 80,000 Delta employees (flight crew, ground operations, corporate, maintenance, technology).
- ▶ Designed and launched 'Delta Leadership Excellence' program — 4-tier leadership curriculum (Frontline Supervisor, Manager, Senior Manager, Director/MD) with 180 hours of competency-based learning per tier; 3,200 leaders completed at least one tier in year 1; 360° feedback pre/post showing 28% improvement in 'coaching effectiveness' and 'inclusive leadership' dimensions.
- ▶ Deployed Degreed Learning Experience Platform (LXP) as Delta's learning front-door — integrated Cornerstone LMS, LinkedIn Learning (80,000 licenses), Harvard Business Publishing, Coursera for Business, and 12 curated content providers into unified portal; 94% employee adoption in year 1; learning hours per employee increased 3.4x.

- ▶ Built Delta's COVID-19 rapid learning response — converted 140 classroom programs to virtual delivery on Zoom/Teams in 30 days; designed 28 COVID health & safety eLearning modules (Articulate Rise) deployed to 80,000 employees in 10 days; created daily communications newsletter 'Delta Prepared' reaching 80,000 employees.
- ▶ Designed Delta's 'Ready to Return' customer service excellence program post-COVID — 12-hour blended program (eLearning + virtual facilitated sessions) for 22,000 customer-facing employees rebuilding service confidence and pandemic-related protocols; customer satisfaction (JD Power) improved 18 points within 2 quarters of launch.
- ▶ Launched Delta's Emerging Leaders Program (ELP) — 12-month cohort-based leadership development for high-potential individual contributors (48 participants/cohort); action learning project teams address real Delta operational challenges; 84% of ELP graduates promoted within 18 months; program recognized in CLO Magazine 'Best of Learning' Awards 2022.
- ▶ Implemented Kirkpatrick Model Level 3-4 evaluation for Delta's 14 highest-investment programs — designed performance indicator surveys, manager observation tools, and business outcome linkage analysis; demonstrated \$28M ROI on leadership development programs (Phillips ROI methodology) in FY2022 evaluation.
- ▶ Built Delta's AI-Powered Learning initiative — implemented Synthesia AI avatar videos for safety training module narration (\$480K production cost savings vs. studio video production), piloted ChatGPT-based conversational knowledge checks for maintenance training, and deployed Mursion VR simulation for difficult conversations training.
- ▶ Designed Delta's tuition assistance program enhancement — increased annual benefit from \$5,250 to \$9,000, added Delta TechOps Trade Certificate partnerships (14 community colleges), and built 'Skills Passport' career development tool in Workday; tuition program utilization increased from 8% to 22% of eligible employees.
- ▶ Grew the L&D team from 14 to 28 professionals — redesigned team structure (Centers of Excellence: Digital Learning, Leadership Development, Facilitation, Analytics), hired 14 new L&D professionals, implemented competency-based career ladder for L&D staff, and launched internal peer coaching circles.

Senior Manager, Learning & Development

Cox Enterprises Inc. | Atlanta, GA | Apr 2015 – Dec 2019

Scope: Cox Enterprises Corporate L&D (60,000 employees)

Senior manager leading Cox Enterprises' enterprise learning strategy, eLearning development, and leadership development programs across Cox Communications, Cox Media Group, Cox Automotive, and Autotrader.

- ▶ Led Cox's enterprise L&D transformation from decentralized to shared-services model — consolidated 18 separate training teams across Cox business units into centralized Corporate L&D with 14 direct reports; \$4.8M annual budget; delivered \$2.1M cost savings in year 1 through content reuse and platform consolidation.
- ▶ Designed Cox's competency framework and leadership development curriculum — 72 competencies organized in 6 clusters (Results, People, Innovation, Customers, Integrity, Strategy); built leadership development programs for 3 levels (People Manager, Senior Manager, Director+); 4,800 managers completed assigned curriculum annually.
- ▶ Implemented Cornerstone OnDemand LMS enterprise-wide replacing 18 disparate learning platforms — 16-month project, 60,000 users migrated, 2,800 legacy courses migrated/decommissioned; built 140 compliance training curricula (mandatory annual training completion rates improved from 72% to 98%).
- ▶ Built Cox's eLearning development practice — hired 4 instructional designers, standardized on Articulate Storyline 360 + Rise 360, built 280 hours of custom eLearning content in 2 years; external vendor spend on content development reduced \$1.4M annually.
- ▶ Designed Cox's New Leader Integration (NLI) program — 180-day onboarding program for externally hired directors and VPs; structured week 1 immersion, 30/60/90-day milestone coaching, stakeholder mapping tool, and 6-month 360° feedback; new leader 18-month voluntary turnover reduced from 34% to 14%.
- ▶ Launched Cox's mentoring platform using MentorcliQ software — 840 mentor-mentee matches in year 1 across Cox business units; program participants' promotion rate 2.4x higher than non-participants; 94% mentor/mentee satisfaction in annual survey.
- ▶ Designed Cox's diversity & inclusion learning curriculum — built 8-module 'Inclusive Leadership' series (Articulate Storyline eLearning + facilitated workshops), mandatory unconscious bias training for all 4,800 people managers, and bystander intervention skills training; delivered to 60,000 employees across 3 years.

Training Manager → Senior Training Specialist

NCR Corporation | Duluth, GA | Aug 2010 – Mar 2015

Scope: NCR Global Talent Development — Sales & Services

Training manager and senior specialist for NCR's global sales training and services technical training programs.

- ▶ Managed NCR's Sales Excellence Training program for 1,400 global salespeople — designed and facilitated 3-day Sales Methodology Certification Workshop (SPIN Selling + Miller Heiman Strategic Selling) in English, Spanish, and Portuguese; quarterly delivery in Atlanta, London, and São Paulo.

- ▶ Built NCR's Field Services technical training program — designed certification curriculum for 2,800 field engineers covering NCR ATM, POS, and Self-Checkout maintenance; competency-based certification (Bronze, Silver, Gold); first-time fix rate improved 22% post-certification for Gold-certified technicians.
- ▶ Designed and produced 48 eLearning modules using Adobe Captivate for NCR product launches (NCR Aloha POS, NCR SelfServ ATM, NCR APTRA software) — reduced product launch training time from 3 days instructor-led to 4 hours self-paced; 2,800 engineers completed within 2 weeks of launch.
- ▶ Implemented NCR's first LMS (SumTotal Systems) — administered 2,800 user accounts, migrated 140 courses from SharePoint, built 28 custom completion reports for regional VP review.
- ▶ Won NCR 'Training Excellence Award' 2013 and 2014 for highest participant satisfaction scores (4.7/5.0 and 4.9/5.0 average) among 28 global trainers.
